OC ASSOCIATION OF  
ENVIRONMENTAL PROFESSIONALS  
CORPORATE SPONSORSHIP PACKAGE

Dear Future Sponsor,

I am contacting you on behalf of OCAEP to encourage your support of our annual student scholarship program. Your donation supports the development of future generations of environmental professionals dedicated to enhancing, maintaining, and protecting the natural and human environment.

It is the goal of OCAEP to increase our outreach efforts to Orange County colleges and universities and to support undergraduate and graduate students entering the environmental profession. We want to continue to award scholarships and ultimately support more students working on environmental issues. The primary strategy to support this goal is to encourage the support of local corporations. Our corporate sponsorship includes three levels of support with accompanying benefits: summa cum laude, magna cum laude, and cum laude. Please refer to the enclosed information for a detailed list of all of the corporate sponsor benefits.

In addition to the corporate sponsorships, OCAEP hosts an annual Back-to-School Gala. This year, our third annual gala will be on Thursday October 28th. The gala includes heavy appetizers, a silent auction including sustainable and green items, and award recognitions for OCAEP scholarship winners, outstanding leaders and corporate sponsors.

OCAEP understands the importance of educating the next generation of leaders to enhance, maintain, and protect the natural and human environment. Therefore, we would appreciate any assistance you could provide to support students who are working toward a degree in the environmental field.

If you have any additional questions regarding the information in the enclosed package or this sponsorship opportunity, please contact our Scholarship Chair, Nicole Williams, at [nwilliams@icfi.com](mailto:nwilliams@icfi.com) or 949.333.6614.

Sincerely,

A handwritten signature in black ink, appearing to read 'Nicole Williams', with a long, sweeping underline that extends to the right.
